He retired in August, 1986. On January 1, 1990, he assumed the duties of secretary of the Scottish Rite Bodies of the Valley of Wilmington, and he continues to hold that office.

REGRETS

ADDRESS OF THE MOST ILLUSTRIOUS GRAND MASTER

It is my privilege to welcome the Officers, Companions, visitors and guests to this 66th Annual Assembly of the Grand Council of Cryptic Masons of Delaware.

Most Worshipful Grand Master James Albert Pletz, you honor this Grand Council and myself with your presence here today and we thank you for that. You have been properly received as befits the holder of that high office, but now I must ask you to assume your chair in this Grand Body, that of Grand Captain of the Guard. Appointing you to that office was a pleasure to me and I have no doubt that you will serve this Grand Body with the same degree of expertise shown in your service to the Grand Chapter and Grand Lodge.

Most Excellent Grand High Priest of the Grand Chapter, T. Eugene Womach, your term of office has almost run its course. In just three or four hours, you will join Right Eminent Past Grand Commander Law and me and for a year we will be the youngest "PASTS" in Delaware. It has been good to be your counterpart this year and though our travel schedules varied, we did occasionally have the pleasure of seeing you and your good wife, Janet, in our travels.

Right Eminent Grand Commander Scarborough, you're the new kid on the

block for our young Grand Commandery and we wish you much success in your endeavors for that body.
Most Puissant Deputy General Grand Master Dalvin L. Hollaway we welcome you here, on what I assume is your first visit to Delaware. We have had the incumbents of many different General Grand Council offices honor us with their presence at previous Grand Assemblies but, I believe, you could be the first Deputy General Grand Master to be the official representative. If not the first, it certainly has been many years. You will be given an opportunity to address the Companions shortly.
To the distinguished guests, we offer the warm hand of fellowship and hope you find the hospitality here in Delaware as rewarding as it was to us when we visited you.
The Past Illustrious Grand Masters have been supportive this year and I commend them for that and their attendance here today.
This year the Grand Council Officers and the 1991 and 1992 Illustrious Masters have cooperated to the fullest and I have certainly appreciated that. The communication has been good in both directions.
Because of the length of this report, I will only give you some of the highlights and summaries of the balance of its contents.

NECROLOGY

The Supreme Grand Master called, to their eternal rest, fourteen of our Companions this year. They will be sorely missed, but we know and understand that they are at peace.
Included in that number were two of our Past Illustrious Grand Masters whose untimely deaths shocked this jurisdiction. Paul E. Hurter who was Grand Master in 1980 died on January 21, 1991 and Grand Master Raymond M. Savage who was Grand Master in 1982 died on April 13, 1991. (While it does not show in the 1991 Annual Reports, Richard H. Thomas who was Grand Master in 1976 died on January 10, 1992.)
Then just one week ago yesterday, on March 6, 1992, our Right Illustrious Grand Principal Conductor of Work, Harry Vail Felmey, was killed in a private airplane crash at Frederick, Maryland. He will be sorely missed in this Grand Council. We thought it fitting that his seat in this Grand Council be draped. The report of the Memorials Committee will properly honor these departed Companions.

GRAND REPRESENTATIVES

One of the privileges of an Illustrious Grand Master is to nominate Companions to serve near Delaware as the Grand Representatives of the Grand Council of another Jurisdiction. These are the nominations I made this year.

Florida	Edward J. Fields	New York	William J. Littel
Indiana	G. Richard Ward	Ohio	Richard A. Scarlott
Michigan	Charles H. Lengel, Jr.	Philippines	C. William Tulloch

The following nominations from other Jurisdictions of Companions to serve as the Grand Representative of the Grand Council of Delaware near that Grand Council were also approved.

Connecticut	Richard L. Smail	New York	Walter Barlow
Florida	Charles Lee Hollinger	Washington	John G. Hardin

WAIVERS OF JURISDICTION

At the request of Gunning Bedford Council No. 1, waivers of jurisdiction were sought from the Grand Councils of Royal and Select Masters of Pennsylvania and Maryland.

Donald G. Pettit	Pennsylvania
Lyman L. Krimmel	Pennsylvania
George E. Gonce	Maryland

These requests were granted.

OFFICIAL VISITS TO CONSTITUENT COUNCILS

Visiting the Councils on both the Official Visits and on an unofficial basis was both rewarding and enjoyable. I was always warmly welcomed and had an opportunity to meet and exchange ideas and conversation with the Companions.

All of the elected and a couple of the appointed officers had an opportunity to speak at one of the Official Visits and, as you would expect, their talks were well prepared, worth while and interesting. They have proven to me, to not ever assume that someone will give you a "hohum" speech, when you have asked for something unusual and/or different.

The Official Visits were as follows:

Gunning Bedford No. 1	March 25, 1991
Adoniram No. 2	November 6, 1991
Joppa No. 3	December 3, 1991

OFFICIAL VISITS TO SISTER JURISDICTIONS

The custom for many years has been for the Illustrious Grand Master to receive invitations to the Grand Assemblies of other Jurisdictions surrounding Delaware and in the New England area. This is always an interesting and educational experience because of the differences in ritual, protocol and customs. Despite those differences though, there was always plenty of warmth and friendship exhibited to us. My good wife, Bonnie, accompanied me on three of the visits, Grand Principal Conductor of Work Felmey on one, and several Companions to the District of Columbia.

The Assemblies attended were as follows:

March 15, 1991	Grand Council of the District of Columbia in Washington
April 5, 1991	Grand Council of Rhode Island in Providence
April 22-23, 1991	Grand Council of Pennsylvania in DuBois
August 23-24, 1991	Grand Council of New York in Suffern
December 9-10, 1991	Grand Council of Massachusetts in Milford

REGRETS

Several invitations were received that I was unable to accept because of previous commitments, conflicts of dates or work. One invitation had been accepted, but at the last minute I had to cancel because of illness in my family. No invitation was received from Vermont this year.

Regrets were for the following:

April 10, 1991	Grand Council of Oklahoma
May 3-4, 1991	Grand Council of Maine
May 3-4, 1991	Grand Council of New Jersey
May 10-11, 1991	Grand Council of New Hampshire
May 13, 1991	Grand Council of Maryland
May 24-25, 1991	Grand Council of Eastern Canada
June 1, 1991	Grand Council of Connecticut
June 8, 1991	Nur Temple Potentates Ball
February 1, 1991	DeMolay Open Installation

OTHER MASONIC ACTIVITIES

Delaware is physically a small state and numerically a small Masonic Jurisdiction. This gives an opportunity to any Mason that wants to be active to get involved in many Masonic Bodies. I have taken advantage of that opportunity and profited from it. This year I have tried to continue my activities and attendance in all of the bodies of which I am a member. During this past year I have attended over 117 meetings of Masonic Bodies and on at least 51 occasions have been recognized as the Illustrious Grand Master.

SPECIAL EVENTS

This year there were occasions that deserve the category of a special event and I have chosen to place the following in that category.

September 7, 1991 The North East York Rite Masonic Conference held at Cromwell, Connecticut. This annual event is always an occasion to learn, exchange ideas, make new friends and renew earlier friendships. Robert

J. Campbell was the keynote speaker and his remarks supplied all present with many ideas to consider.

December 30, 1991 The Thrice Illustrious Masters Degree. As the Steward, it was my privilege to portray the part of Benaiah in this impressive degree.

January 29, 1991 Jesse Green Priory No. 70, Knights of the York Cross of Honor

This year, in Delaware, the Most Worshipful Grand Master of the Grand Lodge, the Most Excellent Grand High Priest of the Grand Chapter, the Most Illustrious Grand Master of the Grand Council and the Right Eminent Grand Commander of the Grand Commandery were all Knights of the York Cross of Honor and members of this Priory. In recognition of this rare occurrence, a dinner was held at the Newport Masonic Temple. It was a sold out event, and the 200 Masons that attended enjoyed an excellent evening. Contrary to Masonic custom, only the four honorees, Albert S. Carney, Grand Master General of the Convent General and John J. Robinson, the speaker of the evening were introduced. The author of 'Born in Blood' captivated the audience. He talked about forty minutes and then answered many questions. All present agreed that this was a special event.

RECOMMENDATIONS

RECOMMENDATION No. 1
That a charter be issued to Thrice Illustrious Master Council U.D. as per my dispensation dated January 24, 1992 and as requested by ten Past Illustrious Masters. This will give formal recognition to this body that is long overdue.

RECOMMENDATION No. 2
That each incoming Illustrious Grand Master schedule their Grand Visitations to the Subordinate Councils on dates separate from the Grand Chapter Grand Visitation to the same location. This would enable the Grand Visitation to be held in a manner befitting this Grand Council.

RECOMMENDATION No. 3
That the positive results gained by following the directions of Standing Resolution No. 4 pertaining to the duties of the Grand Lecturers warrant encouraging each incoming Illustrious Grand Master to emphasize the benefits available to each Council by cooperating with the Grand Lecturer.

CONDITION OF THE RITE

I can only offer you my opinion that Cryptic Masonry in Delaware is ready to grow and blossom. The officer lines have improved, petitions are coming in and that most important ingredient, desire, seems to be present. I look forward with interest to these coming years.

CONCLUSION

As we are taught to believe, there is hope for the future, and I

believe that it is true for each of us as individual Companions, this Grand Council and Cryptic Masonry.
The sands of time in the hour glass of this year have all but run out, and there but a few minutes left to complete the works of this Grand Council, but before attending to that business, I ask for each of you the blessing of Almighty God and may his Peace be upon you.

On motion regularly made, seconded, and approved, the Address of the Most Illustrious Grand Master was ordered received and referred to the Jurisprudence Committee.

REPORT OF MEMORIALS COMMITTEE

It is the sad duty of the necrology committee to report that fourteen of our companions have passed to their heavenly home during the past year. We are saddened by their departure. We ask Thy blessing on our departed companions and thank them for the memories they have left behind.
Two of these departed companions were P.M.I.G.M. of Cryptic Masons, Paul E. Hurter and Raymond M. Savage, who were tireless workers in many branches of masonry.
Therefore it is fitting and proper that we pause for a moment to thank them for their leadership, their inspiration and what they have contributed to our lives. Their labor and good works were learned around a Masonic Altar, and they expressed these teachings in their everyday life.
We will now place flowers on the Altar for our departed.
One flower we place for our departed Past Grand Masters of Cryptic Masons.
One flower we place for our departed Past Illustrious Masters.

One flower we place for our departed companions of our subordinate Councils.

One flower we place for our departed Companions of other Grand Jurisdictions.

One flower we place for our departed R.I. Grand Principal Conductor of Work.

Prayer

Supreme Architect of the Universe, we commend these, our departed companions, to Your loving care and ask You to extend Your loving arms to welcome them into that house not made with hands, eternal in the Heavens. Amen.

REPORT OF THE GRAND TREASURER

I am pleased to submit the Report of your Grand Treasurer for the 1991-1992 Grand Council Year. The financial condition of the Grand Council appears to continue to be sound. We have been able to operate well within the budget and have shown a substantial increase in assets, about 11% over 1980-1991.
The two Certificates of Deposit reached the end of their term in late March, and both were rolled over for two year terms at 7.00%.
As this is my final report as Grand Treasurer, I would like to take this opportunity to express my appreciation for the opportunity to have been of service to this Grand Council and to state that it has been a pleasure to work with the Grand Recorder and all of the other Officers during my tenure.

I wish to announce that I am not a candidate for re-election. It has been a pleasure working with the Grand Treasurer and other Officers over the past eleven years. I wish the Grand Council smooth sailing in the years to come. The new Grand Recorder and Grand Treasurer are well qualified for their positions of trust.

REPORT OF THE FINANCE COMMITTEE

The Committee on Finance of this Grand Council has reviewed the books and accounts of the Grand Recorder and found them to be in order with

all expenses supported by proper authorized vouchers.
We have also had the pleasure of reviewing the books and accounts of the Grand Treasurer and find them likewise to be correct and also totally supported by properly authorized vouchers for all disbursements.
The Grand Treasurer and Grand Recorder are to be thanked for their diligence and dedication in managing the finances of this Grand Council which have permitted us to enjoy a modest increase in our net worth.
Therefore, the Committee recommends the acceptance of their respective reports for the Cryptic Year just ended.

Harry M. Sullivan, Jr., PMIGM
Chairman

A motion was made and passed that the report be received and that the Grand Recorder's and Grand Treasurer's reports be accepted.

REPORT OF THE THRICE ILLUSTRIOUS MASTER DEGREE COMMITTEE

The report is contained in the minutes printed in the back of this publication.

REPORT OF THE REPRESENTATIVE TO THE ALBERT T. HANBY TRUST

Support of the day camp and youth sports facility operated by the YMCA on land leased by it from the Trustees continues to be the principle activity of the Hanby Trust.
In 1991 the Trust made a cash grant of income to the YMCA for use on the project. This grant was $38,424.60 and a substantial portion was used to defray the camping fees of underprivileged children. This represents a decrease from the grant made last year which was $43,708.00.

The lower income received by the trust on its investments is reflective of generally poor economic conditions throughout the year.

RECOGNITION OF DISTINGUISHED GUESTS

M.P. Carl J. Duncan responded for the visitors and thanked M.I. Grand Master Scarlott for their warm welcome and the hospitality afforded them.

REPORT OF THE BENEVOLENT FOUNDATION COMMITTEE

Donations to the Cryptic Masons Medical Research Foundation continue to be primarily based on memorials with very little free will giving. The committee believes a direct letter of appeal from the Most Illustrious Grand Master would significantly increase the free will giving. Perhaps a fund raising project could be sponsored with all profits benefiting the foundation.

REPORT OF THE JURISPRUDENCE COMMITTEE

To The Grand Council of Royal and Select Masters of Delaware now in Session:

Your Jurisprudence Committee is highly honored to have the privilege of reviewing the Address of our Most Illustrious Grand Master Richard A. Scarlott, that has been shared here with us this morning. Our Illustrious Grand Master has attended to the duties entrusted to him, including the sad occasion that surrounds us this morning, with the talent and professionalism that we have all learned to admire. We indeed have placed our trust and Grand Council in good hands.

We find the dispensations and waivers of jurisdiction requested by him entirely within the prerogatives of the Most Illustrious Grand Master and amply covered in our Constitution and Code. We thus, with no reservation, recommend their approval and will call to your attention for further action his issuance of a dispensation for the formation of the 'Thrice Illustrious Master Council'.

We commend him on his acceptance, on our behalf, of four of our sister jurisdictions Companions as our representatives near their jurisdictions. We also express our appreciation of his honoring six of our distinguished Companions to be the Grand Representatives of a sister jurisdiction near Delaware. Each of these named Companions is well acquainted with their responsibilities and we doubt not that they will be attentive to the duties assigned to them. We welcome these new representatives and pray that they each may have long, meaningful and pleasant dialogues in the discharge of their respective duties as Delaware's Representatives.

Our Illustrious Grand Master has been extremely attentive in his visitation labors on our behalf. Five of our sister jurisdictions were enriched by his attendance and participation in their sessions,

together with the Northeast York Rite Masonic Conference. And my Companions, as you have heard him comment, he found them to be warm, friendly and enriching. We are better because of the time he devoted to representing us in these activities.

Most Illustrious Grand Master Scarlott makes three recommendations in his report. One deals with the favorable experience this past year relative to independent Grand Visitations. We commend him, and the bodies involved, for their willingness to undertake change and we also are delighted these events were a positive experience.

A second deals with the adherence to an existing Standing Resolution relative to a Grand Instructor. We echo his sentiments and applaud him for diligence in seeing this work was carried on.

It is our opinion that neither of these require any formal action of this Grand Council, however we would strongly encourage those that follow to reflect upon what we have learned in the past and capitalize on that which is good.

Our Illustrious Grand Master also provides us a rare opportunity with his first recommendation as he recommends that the petition of the Illustrious Companions of Thrice Illustrious Masters Council, U.D., for a Charter be granted. The Jurisprudence Committee has reviewed this petition to this Grand Council, find it to be in order and accompanied by the Constitutional fees. We also find the By Laws, by which they wish to be governed, in compliance with the Constitution of the Grand Council. We thus heartily endorse this recommendation of the Illustrious Grand Master and will shortly call upon this Grand Council to express their sentiments.

We sincerely thank Illustrious Richard A. Scarlott and also Bonnie for their stewardship over this Grand Council this past year. We extend to them and all they hold so near and dear, many more bountiful years of service.

Fraternally submitted,

Donald D. Thomas, PMIGM
Chairman

A motion was duly made, seconded and passed that the Grand Council issue a charter to a new Council to be known as the Thrice Illustrious Masters Council. On another motion regularly made, seconded and passed the report of the Jurisprudence Committee was received and ordered printed in the Proceedings.

SUPPLEMENTAL JURISPRUDENCE REPORT

The Grand Recorder continues to be very attentive to his duties, effecting ease of operations of this Grand Council wherever and whenever it is present and reasonable. To this end he has proposed an Amendment to Standing Resolution #2, to bring it in conformity to our practices. Standing resolution #2 deals with the format of our membership cards. It states in full:

'A standard membership card shall be adopted by this Grand Council, showing on one side the facsimile of the Seal of the Grand Council and the signature of the Grand Recorder, and on the other side the Companion to whom issued, the name of the subordinate Council, and the signature of the Recorder of said Council, together with the date of expiration. Each Subordinate Council shall pay the cost of their membership cards.'

By authority of the Most Illustrious Grand Master, this Grand Council

has been using computerized membership cards for the past several years. These cards to not conform to the strict requirements of Standing Resolution #2 since they are printed on only one side and therefore do not show the Seal of this Grand Council or the signature of the Grand Recorder. It is thus proposed to amend this Standing Resolution to read:

'A standard membership card shall be adopted by this Grand Council, showing on the one side the Companion to whom issued, the name of the subordinate Council, together with the phraseology 'Grand Council C.M. of Delaware', the signature of the Recorder of said Council, together with the date of expiration. Each Subordinate Council shall pay the cost of their membership cards.'

The Jurisprudence Committee finds this amendment to be in order and recommends it's approval.

This Jurisprudence Committee strongly believes that it is not necessary to expand the By Laws, Rules, Regulations and Standing Amendments to cover every conceivable possibility and variation of occurrences. Rather, we leave to the good sense of the elected and presiding Companions to rule and govern the Craft according to the lessons and traditions offered to them in achieving their particular rank and station. We thus render the following observation, relative to an inquiry proposed to us through the good office of the Grand Recorder, without asking for it to be acted upon by this Grand Council or included as any amendment to our code or regulations, etc.

Delaware, by nature of its diminutive size, close proximity to neighboring sister jurisdictions, and the somewhat transitory style of life today, ofttimes finds itself with Past presiding officers from other jurisdictions resident within it's borders. Even when these Companions are members of a Council within this jurisdiction, but not a past presiding officer, their rights within this Grand Council are truly what they have been elected or appointed to within this jurisdiction. Such a distinguished Companion obviously is not a member of this Grand Council, thus has no vote in this Grand Council, and cannot hold any of the five elected offices of this Grand Council.

Such a distinguished Companion in our midst is a well respected guest Past Presiding Officer of a sister jurisdiction who we welcome as such within our boundaries.

The revision to Standing Resolution No. 2 was approved by vote of the Companions. On a motion made, seconded and passed the supplemental report of the Jurisprudence Committee was received and ordered printed in the Proceedings.

CRYPTIC MASON OF THE YEAR AWARD

M.I. Grand Master Scarlott assisted by R.P. Deputy General Grand Master Hollaway presented I. Companion Haywood I. Buck, Jr. the Cryptic Mason of the year award at the Altar. Since the recipient Walter D. Wagner, was not present, the Youth Service\Adult Leadership award medal and pin will be presented to him at a later date.

SPECIAL RECOGNITION

PMIGM Donald D. Thomas offered that the present Grand Recorder, C. Ray Scarborough, had performed his duties well for eleven years and had made increasing usage of computer technology for the Grand Council records, forms and correspondence. He asked that all give him a

standing ovation. It was acknowledged with appreciation by M.I. Scarborough.

REPORT OF AWARDS COMMITTEE

1. YOUTH SERVICE/ADULT LEADERSHIP

After careful consideration the committee determined that for his untiring work with DeMolay, I. Walter D. Wagner of Gunning Bedford Council No. 1 should receive this award.

2. CRYPTIC MASON OF THE YEAR AWARD

For his effort and commitment to furthering Cryptic Masonry and Freemasonry in general, the name of Haywood I. Buck, Jr. has been selected as the Cryptic Mason of the Year.

DEPUTY GENERAL GRAND MASTER REMARKS

Right Puissant Deputy General Grand Master Dalvin L. Hollaway addressed the Companions. He thanked all for the hospitality, told one of his stories and urged all to support the Cryptic Charity and Cryptic Masonry. He used the story of the frog in Moses efforts to return the Jews to Israel.
(He had presented M.I. Grand Master Scarlott with a Past Most Illustrious Grand Master's card and certificate at the banquet Friday evening.)

SUPER EXCELLENT MASTER DEGREE

The Committee on the Super Excellent Master Degree reports that there was no activity during this Cryptic year regarding conferral of the same.
It is certainly time to consider staging a conferral as this has not been done since 1985. The incoming Most Illustrious Grand Master, together with this Committee, should give this a high priority for the fall of 1992.

YORK RITE ADVANCEMENT

Seeking inspiration and guidance in the cause of Cryptic Masonry, one should periodically return to the works of those venerable and learned brethren....Pike, Mackey, Oliver, and others....and endeavor to discover what motivated our predecessors to go about conferring degrees and establishing councils throughout this new nation of ours. The Federal Period in our country is filled with references to Masonic pioneers who disseminated the degrees of Royal Master and Select Master to sager and willing groups of candidates. Wherever the seed was sown:, they were soon to be rewarded by the sprouting of another council (and eventually another Grand Council!).

That made the men of our Young Republic so receptive to these new (and yet old!) and beautiful degrees? Were Cross, Barker or Drummond some sort of super salesmen who could so easily influence others? No, probably not. They were just ordinary people like us, but with a message which had a special appeal at that time, The essential legendary facts and instruction had been preserved in the great mass of Masonic learning which was the common possession of the Craft when working the other degrees. The intimate connection of the Cryptic Rite with other branches of Ancient Craft Masonry, its great beauty and utility, all appealed to men in an era of awakening research.
Since our Masonic ancestors once had this great fire of enthusiasm burning inside them, can we not rekindle a little of the flame within ourselves? If we can demonstrate to our Brother Masons in the Blue Lodge that the? will be the happier in their search for natural and philosophic truth by joining us in Cryptic Masonry, we may find a rebirth of that same spirit which pervaded America in the earl? nineteenth century. It is entirely possible that the same ?earnings for the gathering of the scattered legends, the gradual development of their eternal truths associated with the symmetry and beauty of the degrees are still there. A great revival of interest !s not impossible. It is up to us!

Respectfully submitted,

Maynard H. Mires, DGM
Chairman

YOUTH COMMITTEE

Our youth organizations, the Order of DeMolay and Job's Daughters, like the Masonic fraternity, continue to struggle with declining membership. However, small in numbers they may be, they are a dedicated group of young men and women and deserve the ardent support of Freemasonry.
As our Grand Council is not richly endowed financially, this committee does not propose that we contribute funds to the youth organizations. Rather, we wholeheartedly endorse that each Cryptic Mason contribute some time to attend as many DeMolay and Jobie functions as possible. In this way we can let the youth know that we care and support their efforts.

GRAND MASTER'S REMARKS

Companions, I am deeply honored and humbled that you have selected me to lead Cryptic Masonry in Delaware for the ensuing year. At this time, I ask each of you to answer a call to deeper commitment in pledging your time and talents to the cause of Cryptic Masonry. There are a number of ongoing endeavors which need more support: these are represented by the list of committees with which you are all familiar, and on which many of you already serve. However, one of those items requires our special attention: York Rite Advancement & Long Range Planning. This past year, I was chairman of this committee and, as you know, have just submitted a report. I agree wholeheartedly with one of my committee members, M.W. James A. Pletz, who feels dissatisfied with the present declining situation. Merely writing a few nice-sounding phrases once a year is not going to keep Cryptic Masonry alive and well. Companion Jim was kind enough to praise the work of the York Rite Planning Council of Lower Delaware (the moving force for which has been our own Companion Chet Coffin) and suggest forming a similar planning council in New Castle County. Following along with Jim's ideas, I was going to appoint R.I.Harry V. Felmey as chairman of this committee, reminding him of its importance, and asking him to make the necessary arrangements so that, in the very near future, his committee could meet with the counterpart committees of Grand Chapter and Grand Commandery. In spite of our recent tragic loss, when Harry was called home to be with God, I still feel the presence of his spirit among us and know that he is watching these proceedings today, I hereby promise him to assume this duty (along with all the other things he has to do), and I should like to act as an ex officio member. I also invite all of you out there to express your opinions of what else we should undertake during the coming year. Please write or call me, and tell me what is good and what needs to be changed. We have enough brainpower and enough dedication among our members to do nearly anything we resolve to do. Please join me and the other presiding officers this year in a team effort to strengthen York Rite Masonry in Delaware. We need your help! I have a few suggestions of my own:

(1) Ever since I reached that magic age of 65, I have suddenly become more aware of the needs of our older population. That companion who formerly was faithful in attendance is now perhaps unable to drive

or else requires some type of assistance. Please consider picking him up.

(2) We do not pay sufficient attention to our growing group of masonic widows. Just because a companion has passed on to his reward is no reason to neglect the one he left behind. Please consider her when you plan social activities.

(3) Although many of our thirty Blue Lodges in Delaware have their own Scottish Rite advocates, I'm afraid we don't give equal time to York Rite. Therefore, I am requesting that each Blue Lodge have a companion appointed as our official representative.

Well, that's a beginning. Let's go on from there!

VISITATION SCHEDULE

The schedule of visitations to the Constituent Councils was then announced by the Grand Recorder:

Gunning Bedford Council No.1, Wilmington	September 23, 1992
Adoniram Council No. 2, Dover	December 2, 1992
Joppa Council No. 3, Georgetown	November 3, 1992

ADJOURNMENT

There being no further business to claim the attention of the Grand Council, it was closed in Ample Form at 11:50 A.M. by Most Illustrious Grand Master Maynard H. Mires. The Companions then repaired to the Banquet Hall for luncheon.

MASONIC CALENDAR

Ancient Craft Masons commence their era with the creation of the world, calling it ANNO LUCIS (A.L.), "in the year of light."
Add 4000 years to the common era. Thus 1992 plus 4000 = 5992

Scottish Rite, same as Ancient Craft, except the Jewish Chronology is used, ANNO MUNDI (A.M.), "in the year of the world."
Add 3760 years to the common era. Thus 1992 plus 3760 = 5752. After September add another year.

Royal Arch Masons date from the year the second temple was commenced by Zerubbabel, ANNO INVENTIONIS (A.I.), "in the year of discovery."
Add 530 years to the common era. Thus 1992 plus 530 = 2522

Cryptic Rite (Royal and Select Masters) dates from the year in which the temple was completed, ANNO DEPOSITINIS (A. Dep.), "in the year of the deposit."
Add 1000 years to the common era. Thus 1992 plus 1000 = 2992

Knights Templar commence their era with the organization of their order, ANNO ORDINIS (A.O.), "in the year of the order."
From the Christian era take 1118. Thus 1118 from 1992 = 874

Order of High Priesthood dates from the year of the blessing of Abraham by the High Priest, Melchizedek. ANNO BENEFACTOR (A.B.), "in the year of the blessing."
To the Christain era add 1913. Thus 1992 plus 1913 = 3905
